"There is no doubt that I don't spend my money on anything. I have been working at Wal-Mart for two years at this point. Any raise I've gotten been pretty small and there sure haven't been enough of them."

"Associate", Moose Jaw, SK

"Wal-Mart likes to say how it is a company about family and its associates but I don't see it at all. How can they say that when the bad? I don't know how they expect a normal life with the money they pay for many hours they give. They know I have home and family and I have to work more never get there. I have to work more where your mouth is open."

"Associate", Moose Jaw, SK

working for Wal-Mart. How we don't always get paid. How we don't make our own money. I'm lucky who help me out when I need it. The people I work with aren't so lucky. They are having a hard time."

"Associate", Moose Jaw, SK
